

**Welcome to the Verde Valley Vettes**

[www.verdevalleyvettes.com](http://www.verdevalleyvettes.com)

The Verde Valley Vettes was formed in August 1996 by a group of Corvette enthusiasts who wanted to enjoy their common interest and give back to their community. Located in central Arizona, the club is a member of the Roadrunner Region of the National Council of Corvette Clubs (NCCC).

The club organizes events in support of local charities, and, through the NCCC, supports St. Jude's Children's Research Hospital.

Members enjoy rallies, car shows, picnics, drive-outs, competitive driving, and many other activities, all of which make owning a Corvette an even more enjoyable experience. To join, e-mail Bob McFarland at bluec5@live.com or call 928-282-1718.

Welcome to 2022. I hope 2021 was a wonderful year for everyone and your holidays created cherished memories. The year did seem to pass very quickly, and I imagine 2022 will as well. I would like to thank Jim Dawson for his time as President through some pretty trying years and to his wife Judy for all her work in taking care of our publicity and being so supportive to Jim. Also thank you to Dick Gozzi for serving as the vice president, Marsha Rosenbarger for serving as our secretary and Anne Bauer for serving as treasurer. A special thank you goes out to Bernie Myers for all his work on our newsletter and for agreeing to another year. Also thank you to the members agreeing to be our club officers for 2022.

The Cottonwood Christmas parade was a success and lots of fun. Our club was represented with nine corvettes all decorated for Christmas. The parade route was filled with many children and grownups out enjoying the wonderful holiday festivities on a beautiful day. Some of us even made the city's u-tube movie and the announcers were very informative about the Verde Valley Corvette Club. It was a great time for all.

Our annual Christmas dinner was a great success with good food and fun with the gift exchange. Stake & Stuff worked very well for us. The service was very good for our large group and the management went above and beyond being accommodating and friendly. A special thankyou goes to Judy Dawson for all her work putting it together, it's never easy. Judy even had some special gifts for everyone. We are looking at doing the same thing in 2022 at the same place if everyone agrees.

As 2022 begins we have a few areas of focus which will be discussed at our January meeting.

Wishing a super Corvette 2022 year to all

Ron Osborne, President

### Governor's Report

Hi Everyone,

Welcome to a new, and hopefully, more active year.

Currently there is nothing on the region calendar for 2022, but this will be changing as we move into spring and the various clubs around the region start planning their activities for the year, including our club. Come to the meetings and help plan our activities for the upcoming year.

My next governor's meeting is in March, if there is anything anyone would like to bring up to the Region, please let me know.

See you all at the next meeting.
